SCENARIO	USD	TICKETS	EQUITY PER TICKET
Small seed (12 months)	60,000	4	1.85%
Mid (18 months)	165,000	11	1.64%

About 6 months of a LATAM Unity developer, a build Mac mini, an annual Unity Pro seat, acquisition tests and legal costs (estimate).

Investor proposals: equity at a 750,000 USD pre money valuation, a 30% revenue share up to 1.5x or 2x, or a SAFE with a 1,000,000 USD cap. Perks: Hall of Valhalla, early access and cosmetics.
